Parent/Guardian Consent for Student Use of Computerized Information Resources

I am the parent/guardian of ____________________________________________, the minor student who has signed the BOCES’ agreement for student use of computerized information resources. I have been provided with a copy and have read the BOCES’ policy and regulations concerning use of the BOCES Instructional Technology Services (ITS).

I also acknowledge notice that, unlike most traditional instructional or library media materials, the ITS will potentially allow my son/daughter student access to external computer networks not controlled by the BOCES. I understand that some materials available through these external computer networks may be inappropriate and objectionable; however, I acknowledge that it is impossible for the BOCES to screen to review all of the available materials. I accept responsibility to set and convey standards for appropriate and acceptable use to my son/daughter when using the ITS or any other electronic media or communications.

I agree to release St. Lawrence-Lewis BOCES, its agents and employees from any and all claims of any nature arising from my son/daughter’s use of the ITS in any manner whatever.

I agree that my son/daughter may have access to the ITS and I agree that this may include remote access from our home.
